

Detergent Bottle Animal:

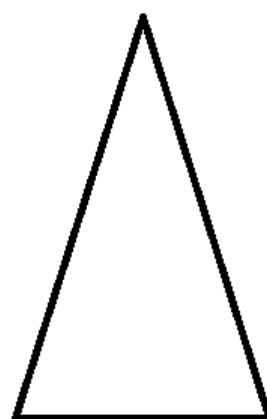

Items you'll need:

- A fabric softener bottle (Comfort)
 - Felt
 - Buttons
 - Wooden Skewer
 - Scissors
 - A glue gun or gluestick
-
1. Empty out the remaining contents of the bottle and dry it.
 2. Once it's clean and ready, add two buttons for eyes on either side of the opening of the bottle.
 3. Cut out ears from the felt, and spikes for hair. Add nostrils on the lid of the bottle also.
 4. Be creative and decorate your animal in any way you want. Glue all your decorations into place using the gluegun or a gluestick. Alternatively, you could use PVA glue.

Use the template below as a guideline for cutting out ears, hair, etc from the felt.
